

Love, Lust and Passionate Desires

By C J Millison

Carol Milligan Babson, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A passion so hot, it scorches the heart and alters the thought process. Paul and Gale both describe it as a intense pounding in their chest, similar to a jackhammer breaking up cement on a sidewalk. Our hearts could not possibly beat any faster or they would explode into a million tiny particles. At times, we even become sexually excited just standing near each other. Paul pounced on Gale, like a wolf that just captured his prey. I see the wild lustful excitement gleaming from his eyes. Paul s tongue enters her mouth as though they are making passionate love. Within seconds Paul is rubbing Gale s inner mid-thighs as she begins to squeal. Is Gales need for him more than she can resist? Her aphrodisiac aroma is literally driving Paul crazy-wild with sexual desire.

It is one of the most popular books. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
