

## Lower Your Expectations!: An Unflinching Look at the Near Future

By David Sadtler

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Britain is truly a great place to live, but the economic quality of life is under threat while it tries to get out from under a mountain of public debt. As the coalition government struggles to rein in spending, people s expectations will have to be reduced. They cannot realistically expect even moderate wage increases any time soon, the services offered by the National Health Service will have to be curtailed, the law enforcement authorities may have difficulty coping with increased street unrest, and people will generally have to reduce expectations and downshift their lifestyle. All the talk by politicians about the best route to growth is just rhetoric. The reality is that we must get back to a public spending level that we can afford. Until then, it will be very uncomfortable for many of us. It s that simple. Much of this difficulty has been exacerbated by Europe and its catastrophic currency experiment. I suggest however that common sense will prevail in Britain and that the nation will eventually emerge in relatively good shape, but only...

### Reviews

*Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).*

-- Prof. Jean Dare

*Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Glen Ernsler
