Reviews

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best.pdf we have go through inside my very own daily life and could be he very best ebook for actually.

(Miss Audra Moen)

DICCIONARIO DE USO DEL ESPAÑOL, EDICIÓN ABREVIADA (HARDBACK)

RBA LIBROS, Spain, 2009. Hardback. Condition: New. 2nd ed.. Language: Spanish . Brand New Book. Todo lo esencial del María Moliner ha pasado sin menoscabo a su versión reducida. El corpus actual del Abreviado está constituido por 45.000 entradas, algunas más si entran en el cómputo los derivados incluidos como sublema, un repertorio que supera en un doce por ciento el del anterior, lo cual es resultado del notable incremento de voces que aporta la tercera edición con respecto a la segunda. Es una cobertura importante que ofrece una visión precisa del español vigente hoy en todos sus registros (culto, formal, coloquial, vulgar), tanto en España como en América, sin excluir las terminologías especializadas que entran a formar parte de la cultura general. ENGLISH DESCRIPTION Introducing the new edition of the abbreviated Moliner, taken from the Diccionario de uso del español 3rd edition (2007). The result is a dictionary that provides broad coverage to a wide range of people, occasional users, mid or high level students, and foreigners with sufficient knowledge of the language that do not need to consult the comprehensive and exhaustive version. The content of this abbreviated edition is made up of 45 thousand entries and offers a precise vision of the Spanish language usage today in both, Spain and America.
