iUniverse, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. What does not happen in politics can be as important as what does happen. This was the case when my friend Mitch Daniels, then Indiana s much-admired governor, decided against seeking the Republicans 2012 presidential nomination. This book is a fascinating look at the interplay of the personal and the political, a story of one of modern history s might-have-beens. George Will Syndicated Columnist This is a fascinating history of the eight people who worked tirelessly to bring to life a 2012 presidential candidacy on behalf of Governor Mitch Daniels. Reading this story, it is hard not to conclude that the country would have been the real beneficiary of a Daniels candidacy. Patrick H. Caddell Fox News Contributor Pollster and Political Strategist The increasingly pernicious nature of our political campaigns and media coverage of candidates is driving some of our most talented people out of the process. Run Mitch, Run takes readers behind the scenes on just one such case, and why then-Indiana Governor Mitch Daniels, one of the most qualified people to lead our country, decided that his love of family took precedence over his willingness to seek the presidency and serve the country. Charlie Cook Editor and Publisher, The Cook Political Report Political Analyst, National Journal and NBC News Any American, Republican or Democrat, will enjoy this book, but I guarantee you it will also break your heart . You ll read why a qualified, experienced, successful public servant who is a good, good man, decided he...
