In this rich interpretation of the history of critical theory, Axel Honneth clarifies critical theory's central problems and emphasizes the social factors that should provide it with a normative and practical orientation. Axel Honneth's Critique of Power is a rich interpretation of the history of critical theory, which clarifies its central problems and emphasizes the social factors that should provide that theory with a normative and practical orientation. Honneth focuses on the dialog between French and German social theory that was beginning at the time of Michel Foucault's death. It traces the common roots of the work of Foucault and Jurgen Habermas to a basic text of the last generation of critical theorists -- Max Horkheimer and Theodor Adorno's Dialectic of Enlightenment -- and draws from this connection the outline of a program that might unite and surpass their seemingly irreconcilable methods of critiquing power structures. In doing so, Honneth provides a constructive and nonpolemical framework for comparisons between the two...
