

The Grasmere Journals

By Dorothy Wordsworth

Classic Collection, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A compelling insight into the day-to-day life with William Wordsworth at the height of his poetry career. Begun in May 1800, William Wordsworth's sister, Dorothy, only resolved to write her journals for a short time. She continued for nearly three years. Perhaps one of the best-loved of all journals, The Grasmere Journals bring Dove Cottage, where Dorothy stayed with her brother and his friend Coleridge, to vivid and intimate life. Dorothy notes the walks and weather, the friends, country neighbors, and travelers on the roads with intimacy and immediacy. She sets down accounts of the garden, of Wordsworth's marriage, and even insight into the composition of Wordsworth's poetry. Readings of some of Wordsworth's poems form the last part of this recording. This novel is part of Brilliance Audio's extensive Classic Collection, bringing you timeless masterpieces that you and your family are sure to love.

Reviews

Unquestionably, this is the best work by any author. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.

-- Nelson Zemlak

Extremely helpful for all classes of folks. I really could comprehend almost everything using this written e-publication. You will not feel monotony at any time of the time (that's what catalogs are for about in the event you check with me).

-- Prof. Melyna Dooley V
