Start Your Adventure Cabin fever is a horrible thing, and after the severe winters some of us who live on the East Coast have been having, you really can't blame us for being a little bit excited when the first signs of spring begin to arrive. But before you load up your tent and fishing pole there are a few useful hacks that you should know about. This book compiles all of those valuable tricks of the trade such as how to successfully navigate through the wilderness without getting lost, how to find food and water no matter where you are, and how to always have a roaring campfire. These things are essentials but it is amazing at how many don't have a good working knowledge of how they can accomplish these basic tasks. Well, don't worry my friends, because the 25 essential hacks in this book covers these and...
