Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you interested in the Law of Attraction and how it influences relationships? This is a story that explores that philosophy and the concept of deliberate thought in a fictional setting -- blending fantasy, mystery and romance. This book is a fairytale for lightworkers. It lets the reader decide what is allegory and what is real, and what can be left behind as fantasy and storytelling. ***** While walking her dog Milo in the cemetery, Grace discovers an ornate music box among the tangled roots of a fallen tree. The music box, and the otherworldly creature trapped inside, lead her to the mysterious McClellan family and the secrets they have hidden for over a century. Grace finds Fin McClellan handsome and personable, but also distant and guarded. He longs to break free from the family secrets that imprison him, but the biggest secret of all hides within his own house. Christina McClellan Alexander, Fin's sister, is a gifted painter. Her art studio is filled with multiple paintings of the same winged being. As she and Grace become closer, she introduces Grace to the family's secrets and eventually its legacy. As the mysteries unfold, they lead the reader through a rich family history spanning two centuries. It is a family's story that begins in the early 1800s as whiskey merchants and includes famous artists, spiritualists, gamblers, prostitutes, a secret family council, a mysterious neighbor, deception, murder and the transformative power of love.
