

India: Another Millennium?

By Romila Thapar

Penguin, New Delhi, India. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. The concept of the millennium encompasses a sense of progress and the hope for a better future. Pursuing this notion, the present collection of essays edited by Romila Thapar, and accompanied by her introduction, explores the challenges before twenty-first-century India in its quest for a democratic and just society. Globalization and the revolution in information technology provide a new context to the problems faced in contemporary times by Indians. But will globalization ensure rapid economic growth and development in the face of low literacy, rising population, the gradual withdrawal of the State from social commitments and the hesitant formation of a responsible civil society? Will imitation westernization and the consumerism that comes with it, further a just society? Political institutions will require strengthening in order to manage the delicate balance of democracy. What are the strains that it will be subjected to in the struggles for empowerment by groups currently marginalized, and the growing social and economic disparities, accompanied by violence and terrorism? How will India's multiculturalism be affected by the upsurge of various identities and the attempts of exclusionist nationalism to play a hegemonic...
