Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Detection of Forgery: A Practical Handbook for the Use of Bankers, Solicitors, Magistrates Clerks, and All Handling Suspected Documents The object of this little work is to assist those who may occasionally be called upon to form an opinion as to the genuineness of signatures, alterations in cheques, and the varied doubtful documents that demand the serious consideration of business men by way of a preliminary to taking further steps. It is the first attempt published in England to explain the principles upon which the comparison and examination of handwriting are conducted by experts. It is, and can only be, an outline of suggestions how to begin, for no two experts follow precisely the same methods, any more than two painters work on the same lines. Both agree in recognising certain rules and general principles, but each strives for his objective point by the employment of those means which experience, temperament, taste and opportunity suggest. The study of the elementary rules of their art puts them upon the road for perfecting it, after which...
