Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Who is Chosen? introduces students to four different theories about Christian salvation. The goal is not to convince anyone to agree with a particular theory, but rather to allow students to be more informed about major lines of thought within Christian theology. Who is Chosen? elicits critical reflection upon perennial themes of heaven, hell, and free will, while calling upon the reader to contemplate the saving mysteries of God. One is encouraged to direct one's reflections to one's own holiness and missionary service unto others. --Michael J. Tkacik, Saint Leo University, Florida I would recommend this book for students or anyone else wanting an outline they can use to grasp the theological contours which have arisen to answer the questions concerning who will be saved. --Henry C. Anthony Karlson III, author of The Eschatological Judgment of Christ In this text, Humphries unlocks the key sources and questions about salvation with a succinct and insightful examination of four major theories...
