Penguin Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. GUARDIAN AND NEW STATESMAN BOOKS OF THE YEAR 2017**Winner of best memoir at the Parliamentary Book Awards**Now with a new epilogue for the paperback Compelling . She has guts to spare . An important story . Role model? You bet Tim Shipman, Sunday Times So human and inspiring, and my favourite book of the year so far Rohan Silva, GuardianWhen Harriet Harman started her career, men-only job adverts and a women s rate of pay were the norm, female MPs were a tiny minority - a woman couldn t even sign for a mortgage. But, she argues, we should never just be grateful that things are better now. There s still more to do. In A Woman s Work Harriet, Britain s longest-serving female MP, looks at her own life to see how far we ve come, and where we should go next. This is an inspiring and refreshingly honest account of the part she has played (and the setbacks along the way) in the movement that transformed politics and women s lives - from helping striking female factory workers to standing for election while pregnant, from her memories of her own mother to her success in reforming the law on maternity rights, childcare, domestic violence and getting more women into parliament. But it is also a call for women today to get together and continue the fight for equality. If we don t, no one else will.
