### **Reviews**

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

## OBSSESSED WITH A SAVAGE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Cara Mia couldn't help the fact that she was born to a machete swinging maniac who had a bad racial issue with anyone who wasn't Cuban. Unfortunately for her, the kingpin who is Dragon Eddie, was once married to a black woman. Her mother. Forced into the middle a drug war, she has to watch her back, because there is no telling who could be after her just because of who Dragon Eddie is, and because of what he's done to others. Mercy-a young plug-will stop at nothing to make sure that his cousins eat and that his ends are met. Even if that means going head to head with the person who is trying so desperately, but is failing miserably, at starving him out. Between flying bullets, burning trap houses and foot soldiers coming up missing, Mercy bumps into a cherubic face and a pair of innocent eyes that he just can't shake. Having a soft spot for the young dame puts a target on his forehead and hers too. Now they both must pull together before it's too late; to either bow at Dragon Eddie's feet, or join sides to take him down and collect their dues. What the both of them seem to forget is that this is not Eddie's first pistol showdown at dawn, and neither is it the first time that someone has threatened to take away what is most precious to him. When the smoke clears, it's hard to tell who's still standing in this old school versus new school battle. If it is the more experienced man who has seen and done all..
