Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The origin of world civilization can be traced to the Sindhu (Indus) and Sarasvati river valleys as of 8000 BC, or earlier, where the unparalleled ideation of enlightened philosopher kings (Brahmins) ushered in material and spiritual wealth that was to remain unchallenged until the 17th century CE. The fabulous archeological remains of the Mohenjo-Daro/Harappa complex are fully complemented with vast theoretical treatises in Sanskrit as proof of their innovation and originality in all aspects of human endeavor. The Vedic heritage, unsurpassed in its scientific inquiry, majestic resplendence, spirit of universal tolerance, and eternal timelessness, was to influence peoples, cultures and paradigms around the globe expressed as Pyramids, monuments, temples, architecture, sculpture, dance, music, games, sports, and much more. Whereas the Vedic-Hindu priest kings had envisioned man as the center of universe, the Abrahamic religions of the Middle East turned man into a slave whose suffering as God s will could be alleviated by prayer only through the priestly class. World wealth was subsequently looted indiscriminately as pagans and kafirs had no soul and could be slaughtered and enslaved at will, so sanctioned by Koran and Bible. Vedic Hindu cultural patrimony in Sanskrit was usurped as well and passed off as Arabic by false translations, distortions, omissions, and the like, as Arabs themselves were an illiterate lot and were both culturally and materially bankrupt. Arabic books translated into Latin became the backbone of European universities for several hundred years and sparked European Renaissance after Enlightenment. At the end of the colonial era, Europeans became masters of word wealth but could not link the genesis of their prosperity to anything significant in their own cultural past. An Aryan Invasion theory was consequently...
