By J L Rosenberger

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Street Railway Law, Vol. 3: A Comprehensive Working Compendium; Important Street Railway Decisions in All Parts of the Country, Covering Practically All New Legal in the Including Promotion, Charter, Construction, Equipment and Maintenance Problems, General Relations to the Public A This litigation and need of information furnish the material and field for this volume. It tells what the courts have been deciding in language that can be understood by all . In its preparation, the constant aim has been to omit nothing vital, to cover all points of interest of both law and fact; to give as much space as necessary to new and exceptionally important points, yet, on the whole, to be as brief as possible without sacrificing anything of practical value. It is much more full and comprehensive than an ordinary digest would be, and is at the same time in about the same proportion less bulky and more readable than would be the several volumes that would be required to report the same cases in full. It is probably all that managers or other street railway...
