Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Life and Work of W. K. Snider: G. T. R. Conductor; Also Sermons and Lecture T was felt that thousands who had known the genial and Christian face of Conductor Snider, who had laughed under the inimitable ness of his mimicry, or wept under the spell of his pathos, or turned, with repentance and faith, unto God under his impassioned appeals, seek ing their salvation, would desire to have at their hands some memorial of his life and work. In response to this desire and with the per suasion that the Conductor would gladly give consent to anything which might go out from, or because of, him on an errand of good, his loyal wife and devoted helpmate placed in my hands such notes and mss. As were at her disposal for the purposes of this volume. It is to be regretted that he left so little on paper of those sermons and lectures which had thrilled the hearts of multitudes. They were born of his experience, and for the most part, were written only on the tablets of his extra ordinary memory.
