This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

From the publisher's blurb, "In the September of 1864 Captain Beall engineered a plan to free prisoners held at Johnson's Island prison, near Sandusky, Ohio. While the plan failed, Beall was not daunted. He became involved in a mission to stop a train outside of Dunkirk, New York to rescue Confederate generals being transferred from Johnson's Island prison to Fort Warren in Boston. Later, while waiting in Niagara Falls for a train back to Toronto, Beall and one of his associates, George Anderson, were arrested by Federal detectives. Unknown to Beall and his men, a spy in the midst of the Confederate command in Toronto, Canada had exposed them to Union authorities."
