Master Your Conversation Skills (FREE Bonus Included) Learn The Art Of Small Talk And Get From People What You Want Do you feel awkward when meeting someone for the first time? If so, you need to master the art of small talk. When we meet someone for the first time it can be difficult to start a conversation; after all, we don't know anything about this person. Even though it seems difficult, with a few well-placed conversation starters, you can make a stranger feel like a friend. The ability to chat with just about anyone and keep their interest is not something we are all born with, but it is something we can all learn. You can learn to be charming and chatty without being annoying; small talk is an art form and it can help you navigate your social and professional world with confidence. With the right conversation skills, you can gain and maintain relationships that give you what you need. This book contains: Information on the use of small talk to create a great first impression 10 rules for making small talk effectively Learn which topic to avoid when engaging in small talk How small talk can make you interesting and memorable.
