Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from New Testament Parables for Children: Illustrated by Pictures From the Masters and Original Stories These Lessons on the new-testament Parables are prepared in the belief that historic information about the Bible is of little value to young children, but that, at their impressible age, strong moral influences are of the very first importance. In the Author's experience with children, pictures and stories have been found to make far deeper impressions on the minds and hearts of little ones than any other means of teaching. This Manual is designed to aid parents and Sunday-school teachers of young children in using a series of cards, which are duplicates of its illustrated pages. Each Parable may serve for two lessons: the first will naturally centre in the picture the second, in the original story. In the first lesson, let the teacher examine the picture thoroughly with the children, even in its minutest details. The text of Scripture and the verse of poetry may be recited by the children separately or in concert. Then let the story of the Parable be told by the children the teacher may lead them on, if necessary, by questions and hints, but should have them feel that they tell it. The Parable well in the minds of the children, let a talk follow, for which the questions in the Manual are intended only as suggestions and helps. These questions have not dealt with the larger, and what may be called national, interpretation of the Parables, but have taken up only a simple and practical one, the larger one not being profitable or even possible to children. At the second lesson, recall briefly the story of the...
