Indian leaders like Geronimo became feared and dreaded men in America, and Sitting Bull's victory over George Custer's 7th Cavalry at Little Bighorn was one of the nation's most traumatic military endeavors. Given this history, it's no surprise that the Shawnee continue to be closely associated with their most famous leader, Tecumseh, the most famous Native American of the early 19th century. While leading the Shawnee, he attempted to peacefully establish a Native American nation east of the Mississippi River in the wake of the American Revolution. One of the most famous Native American tribes on the Great Plains is the Cheyenne, and their fame may be surpassed only by their influence on American history. Having split off from other groups around the 16th-17th centuries, the Cheyenne shifted from a sedentary agricultural society to the kind of nomadic group many envision when thinking of groups on the Plains. But it was land disputes and conflicts with white settlers and the Cheyenne that set in motion the chain of events that led to the most famous battle among Native Americans and the American government: the Battle of the Little Bighorn. Like other notable Plains tribes, the Arapaho split off from other groups around the 16th-17th centuries and shifted from a sedentary agricultural society to the kind of nomadic group...
