Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Cricket Creek, Kentucky, is no Nashville--it's a sweet, small town outside the big-city limelight. But here, two headstrong country music stars will need to rely on their Southern roots and explosive chemistry to top the charts together. When Cat Carson drops her record label and signs with an independent label based in Cricket Creek, it's a huge upset in the music world. But the residents of Cricket Creek are thrilled to have a real country music star in their midst. Everyone except Jeff Greenfield, that is--a local rising star himself, who's been asked to record a duet with the stunning beauty. Jeff grew up on a farm, but his smooth, soulful country style is starting to get him noticed outside Cricket Creek. And while a duet with Cat Carson could send his career skyrocketing, he doesn't want to lose touch with his roots--or lose his head. Because sparks are flying every time he and Cat hit the studio. And it's more than a little distracting.
