COMPACT CLINICAL GUIDE TO INFANT AND CHILD PAIN MANAGEMENT: AN EVIDENCE-BASED APPROACH FOR NURSES

Springer Publishing Company. Paperback Book Condition: New. Paperback 368 pages. Dimensions: 8.0in x 5.0in x 0.4in. Named a 2013 Doodys Core Title! I would recommend this great little book for nurses who wish to carry a book with them in their clinical practice. It's a great addition to the growing list of books addressing pain in pediatrics. --Pediatric Pain Letter This book is a practical guide to pediatric pain assessment and management for the advanced practice nurse and primary caregivers who...

Reviews

Completely essential study publication. This is for anyone who states that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.

-- **Hallie Stanton**

Merely no words to spell out. I am quite late in start reading this one, but better then never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be the best ebook for at any time.

-- **Althea Christiansen**

The most effective publication i at any time go through. This is certainly for all those who states that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
