

Fighter s Body, Fighter s Mind: A Comprehensive Guide to Muscular Strength and Endurance Training for Martial Arts (Paperback)

By Martina Sprague

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Strength and endurance are essential attributes for any martial artist, affecting everything from how hard you punch to how high you jump. Whether your goal is to defeat an opponent in the ring or on the street, the stronger you are, the better the odds of walking away as the victor. *Fighter s Body, Fighter s Mind: A Comprehensive Guide to Muscular Strength and Endurance Training for Martial Arts* is a total approach to building your strength base. Learn how to use machines, free weights, bodyweight exercises, and plyometrics to build your muscles while increasing speed and flexibility. Each muscle group is discussed in detail; how it is used in martial arts and how to develop it; which exercises are most effective; and how to take advantage of anatomical strengths when striking, kicking, blocking, and grappling. Beyond muscular strength, this book looks at the concepts of cardiovascular strength endurance; the impact of flexibility on strength; how to gain a psychological edge on your opponent; and the anatomy, physics and biomechanics of power. The book also covers discussions on whether winners are...

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.
