Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Story of Saint Odile, the Pearl of Alsace The history of the early Saints has always a strange fascination for Catholic readers. There is so much fact in the folk-lore from which their lives have been evolved that it generally bears on its face the stamp of credi bility. The legends concerning the deeds and virtues of the saints of the remote past have historical certainty as a basis, and the imag imation of the simple-minded people has not detracted from this truth, but rather envel oped it with a poetic charm, which is appre ciated by all historical students. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
