DIVIDING

Special Interest Model Books, United Kingdom, 2005. Paperback Book Condition: New. 204 x 146 mm. Language: English. Brand New Book. Faced with the prospect of machining a gear or gears for a project, many model engineers will be discouraged and will turn elsewhere for their next model. This need not be so, for the principles underlying gear cutting and many other aspects of engineering where an accurate division of circles is required are explained in depth in this book...
