What does the host of a long-running radio show do when he's not on the air? Quite a bit, actually. Greatest Hits Vol. 1 is essentially the author's diary of the last eighteen years, told as a series of periodic Big Life Updates that were originally sent to friends and family. Taken together, the Big Life Updates form a unique and fascinating picture of personal growth, evolution, and maturity. As a bonus, the author provides a new, thoroughly detailed history of his weekly pop music radio show, Crap From The Past, plus an audiophile's guide to collecting pop music on compilation CDs. Greatest Hits Vol. 1 is a captivating portrait of a life lived both on and off the radio dial.
