Developed as an educational resource for idea generation and leadership development. The gridded notebook main pages feature an inspirational image background. The publication is divided into individual chapters or sections, each with a different inspirational theme. The Inspiration Pad is a place to sketch and doodle. A place to cut and to paste. The Inspiration Pad is a place to be yourself and to find yourself a way to be with nature. It is for life and inspiration. Those who are inspired by a model other than nature, a mistress above all masters, are laboring in vain. - Leonardo DaVinci The seed of a great idea or experience is planted in our imagination. It begins to grow with discovery and starts to blossom with visualization. It springs to life with knowledge and reaches a greater glory with intuition. The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honors the servant and has forgotten the gift. - Albert Einstein The Inspiration Pad is a place to imagine and discover. It is a place to explore and visualize. Putting your imagination down on paper can be the start of something big or just a stroke of the pen that gets you to your next thought. A place to be intuitive.
