Worse, these issues can linger long after the settlement in the form of parent alienation-when one parent seeks to keep the other parent from being active and involved with the children they share. In Parental-Alienation Playbook and Three-Quarters Custody, author Julian Andrews presents an overview of parent-alienation syndrome (PAS), how you can recognize when it's happening to you, and how to speak out to defend you and your children. Based on his personal experiences with his ex-wife and their three children, Andrews illustrates how the outdated court system facilitates PAS, but also shows how an alienated parent can directly speak out through the legal and court systems. Andrews proposes the concept of three-quarter shared physical custody as a national solution and a bridge against parental alienation forces in the twenty-first century. Parental-Alienation Playbook and Three-Quarters Custody promotes momentum toward three-quarter custody arrangements so parental alienation can become a condition of the past, and children and parents can be free of the divisive nature and consequences that PAS creates.
