

## What Will Soon Take Place: Poems (Paperback)

By Tania Runyan

Paraclete Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. What Will Soon Take Place is an imaginative journey through the book of Revelation. It offers a poet's view of the prophetic, not in the sense of seeking out clues to the end times, but a means of taking this strange, fantastic book of scripture and letting it read its way into personal lives. This is not prophecy as foretelling, but forth-telling: telling us the truths of our lives in the light of God's light. But rather than escape into some safe, heavenly realm, the poems return to our homes and meet us in the form of our neighbors, persecuted believers, and in shopping malls with vivid, edged-up language and the authority to believe and doubt at once.
