Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Transferring Schools - Grades 1 - 12 (And The Problem With Attending Different High Schools): This book, written by a person who attended nine different schools in twelve years including four different High Schools in four years, is intended to ease the transition process for students who transfer schools. The unique problems students might encounter in transferring between elementary, Junior High, and High Schools are discussed and recommended solutions are given. The book is designed to be a quick and easy read and long term reference guide for parents (or guardians), teenagers, teachers, and administrators in all private, public, and parochial schools throughout the United States and at American schools overseas. Throughout the book, the author describes his own experiences and memories, as well as the special problems he discovered while transferring schools. The book begins by discussing the hidden effects on children and on the parent (or guardian) when there is a transfer between schools. Although transferring between schools is a part of life and has been as ongoing as long as American schools have been in existence, very little, if any, attention has been given over the years to easing the difficulties students face after leaving a school and to recognizing and understanding the problems those students encounter upon arrival at a new school. Therefore, the author believes that transferring schools should be avoided if possible; but recognizes that often a transfer between schools is necessary. Regardless of whether a transfer can be avoided, parents (or guardians) are advised to carefully consider their child when a decision is made to transfer schools. In this book, parents (or guardians) are asked to try as best possible...
