THE WAITING-POOL: SURVIVE TO FIGHT BACK (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Caribbean: The Beauty and the Brutality. A sailing couple become tragically caught up in a quagmire of corruption, murder and piracy when they stumble upon a cocaine smuggling ring. A fast-moving thriller set against a background of political unrest, revolution and war. It is October 1982 and the Caribbean island of Grenada is under the control of the revolutionary government of Maurice Bishop, but the coup has failed to bring harmony to the island. Corruption at the very highest level allows criminals to operate virtually unhindered, attracting growing opposition from both sides of the political spectrum. The Reagan Administration in Washington increasingly suspect Cuban involvement, and with the President particularly focussed on his war on the pernicious cocaine trade, it is vital to restore stability and disrupt the trafficking routes to the US territories in the north. Into this political maelstrom sail Stella and Patrick, to drop anchor at one of the country's lesser islands and enjoy a chill-out after an arduous Atlantic crossing. Their bright idyll is soon shattered, however, when the pair are suddenly and violently enmeshed in the darker side of Caribbean life.
