Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Professor Norman Saylor considered magic nothing more than superstition. Then he learned that his own wife was a practicing sorceress. But he still refuses to accept the truth.that in the secret occult warfare that governs our lives, magic is a matter of life and death. And that unbeknownst to men, every woman knows it. Filmed twice, as *Weird Woman* (1944) and *Burn Witch Burn* (1961), this tale of secret witchcraft on a modern college campus is as enjoyable today as the day it was written.
