University of Massachusetts Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. From a nurse who sees a rattlesnake in the pediatric ICU to an animal control officer convinced she's found her abducted daughter in the house of a dog hoarder, the thirteen stories in *Freak Weather* are as unpredictable as the atmospheric changes that give this collection its name. With dark and raucous humor, Mary Kuryla creates female characters who, at times, combine a violent urgency with lack of introspection as they struggle to get out from under the thumb of a perceived authority. The intricate language is inseparable from the narrator's conviction; the characters lie with such bravado they're soon tangled up in their own webs. This brand of romanticism in a female character is little tolerated, and *Freak Weather's* mission - Kuryla's artistic mission overall - is to scratch at the intolerable. Call it bad instructions for moral behavior.
