## Interactive Science Homeschool Edition, Grade 5 with Teacher Edition Access Kit (Mixed media product)

By -

Pearson Scott Foresman, United States, 2012. Mixed media product. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. Interactive Science is a curriculum for homeschooling that keeps you and your child engaged. Designed to make Science accessible, the program uses labs and hands-on activities to guide your child through his or her education. The Grade 5 curriculum is the next step in Interactive Science. It transitions smoothly from Grade 4 so you and your child will have no trouble adjusting to the next Grade level. By now, your child will have a strong foundational knowledge of four areas of Science education, including Science Engineering and Technology, Life Science, Earth Science and Physical Science. The curriculum material in Interactive Science: Grade 5 is broken down into those four units. During each, your child will learn invaluable information about the topic and explore the field in a way that holds his or her interest. Science is all about interacting with the subject being studied. Whether your child is exploring rocks or weather, you can be sure that Interactive Science: Grade 5 will help him or her do so actively. With the helpful, dynamic and in-depth materials included in...

### Reviews

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Trystan Yundt**

*Completely among the finest publication I have possibly read. It really is basic but excitement in the fifty percent from the pdf. Your lifestyle span is going to be converted when you total looking at this publication.*
