Clairvoyant private eye Abigail Cooper is excited to marry her beau, but planning the affair has never been her first love. So when Abby hears of a case involving a missing young mother, she's ready to escape the world of wedding details and engage in some serious psychic sleuthing. TROUBLE CAN COME IN THE BLINK OF AN EYE. When a mysterious client approaches Abby about a young mother who's vanished, Abby is more than willing to get involved. After all, it's the perfect distraction from dealing with the headache of her sister, Cat--who has flown into town and turned Abby and Dutch's impending nuptials into Weddingpalooza. After Abby recruits her business partner and BFF, Candice, to assist, they meet with the parents of the missing woman. But the parents refuse to put their faith in a psychic. What's worse, the family suspects Abby has a connection to their daughter's husband--the man they believe to be responsible for her disappearance. With the family blind to the truth and a potential killer in her sights, Abby is determined to keep her eyes wide open.
