iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How often do we find children, teens, young adults not fully accepting something in their physical appearance, like their hair? How often does a person get judged on their physical appearance, like their hair or hair style? How often does this cause at least temporary discomfort, sadness, and the loss of acceptance of one s self and others. How marvelous it would be if instead a child can fully accept their own and others unique gifts of appearance. This book, through its series of light questions, examines how a child sees physical appearance affecting their view of themselves and others. It is a book promoting acceptance of their unique self, including their hair. It is a book that opens their eyes to see the true inner beauty in the world and everyone in it.
