

A Village Christmas: 20 Exquisite Punch-Out Ornaments

Filesize: 7.68 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

CHRONICLE BOOKS, United States, 2015. Kit. Book Condition: New. Pamela Dalton (illustrator). 241 x 191 mm. Language: English . Brand New Book. Carolers singing at the door, a boy bringing home the Christmas tree, children skating on a frozen lake--these are images which evoke warm memories of a simpler time. Working in the traditional folk art medium of scherenschnitte, scissor cutting, Pamela Dalton painstakingly cuts paper into scenes celebrating the holiday. Ten of the ornaments apply a high-tech laser-cutting process to precisely translate the meticulous detail and delicate filigree of her works; each is then set in its own gilded frame. All 20 are easy to punch out and take only moments to assemble with the decorative string supplied, creating festive ornaments to adorn a tree or window, or to brighten a greeting or gift.
