

How to Hear God Speak Expressly

By Joshua Goodname

Xulon Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. God is preparing men and women he will rely on as vessels to vanquish the enclave of Lucifer. Yes, these vessels of honor will be men and women who can listen and hear the voice of our great God. He must get men whom he can rely upon, who will make great impact in the ministry. Men, whose ears are sharp to hear the voice of God in His word. At the close of the age, we will experience great manifestation and reawakening of the church of Jesus Christ. Goodname explains the keys to hearing God: Create the right atmosphere; learn to recognize the voice of God; understand how and when to respond to God; and learn to pray and be still. The language of God can be heard by believers today just as it was in the beginning by Adam and Eve, with whom God had fellowship one on one. Just listen.
