Foreword by actress Sammi Davis (star of The Rainbow) A filmmaker like no other, Ken Russell remains one of cinemas extraordinary talents, a creator of masterpieces such as The Devils, Tommy and The Music Lovers, and a body of work that flies from the pastoral, Romantic lyricism of Delius: Song of Summer and Elgar to the wild extremes of Lisztomania, Altered States and Mahler. Ken Russell is the greatest living filmmaker in Britain. Even though he died on November 27, 2011, hes still somehow very much alive. After the death of Michael Powell in 1990, who else was there As an image-maker, Russell is not only a total natural, he has very few peers among filmmakers not only in Britain; but also around the globe. Russells inventiveness seems to know no bounds, and his films are cascades of images, so much that it cant all be taken in on the first viewing of a picture. Russell does everything a great director and a great artist should do, and then he does so much more. Why do we love Ken Russells movies so much For many reasons: the spirituality, such a rare commodity in recent British cinema: Russells films are not afraid of addressing spiritual issues. The poetry. The music no other filmmaker of the same era in Britain has been such a tireless and enthusiastic promoter of music. The dancing no other British film director has included so much dance in their output (and very few directors anywhere!). The British popular culture elements. The English landscape. The romance and romantic sensibility His stories of artists and creativity. His interviews and public persona, appearing...
