Ryan Huston serves the pack in all their public financial dealings. Connected politically and personally, he possesses a unique ability to segue into and out of human life. He s never been afraid to use his animal s dominance to his advantage and, though he and Toman-the Alpha of Willow Bend-are often at odds, his loyalty to the pack has never truly been tested. Not until he meets Tiffany. Tiffany Anderson grew up hard in a world defined by its uncertainties. Meeting Giles Taglioni seemed like a happy accident turned fairy tale. Five years into the abusive marriage, Tiffany wants out. Tiffany knows Taglioni will never let go of his daughter-he d kill her before he lets her take Alexis away from him. A desperate woman with no options until a chance encounter changes everything. Ryan is like no one Tiffany s ever met, but she doesn t dare believe him when he offers to help her. Long ago made familiar with the monsters in the dark, she doesn t dream of princes on white horses sweeping her away. She also never imagined a big, bad wolf was exactly what she needed.
