So Great a Cloud of Witnesses: Witnesses to God's Activity in the World (Paperback)

By David Rogne

CSS Publishing Company, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One of the insights of people of faith is that God is active in history as he seeks to bring creation into conformity with his purpose. There have been those in every age who have discovered something of God's purpose and have attempted to pass it on. Sometimes, God's activity has been reported in supernatural terms, but fully as often, the activity of God is revealed in the faithful actions of human beings. For that reason, the Old and New Testaments are filled with the experiences of individuals who have discovered God's presence in their individual circumstances. David Rogne's So Great A Cloud of Witnesses will give readers an appreciation for the people of faith who are presented, and humbly recognize the cost borne by so many to deliver the faith to us. They are a great cloud of witnesses. They have played their part in relaying the faith to subsequent generations, and they are now filling the stands in the heavenly arena, eager to see how we continue the race. Witnesses have been chosen from varied backgrounds so...

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

It is really a remarkable ebook that we actually have ever read through. I actually have studied and I am also confident that I am going to study it once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
