Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.
(Georgiana Pacocha)

ABBY TAKES A STAND SCRAPS OF TIME

Puffin. Paperback. Book Condition: New. Gordon James (illustrator). Paperback. 112 pages. Dimensions: 7.6in. x 5.0in. x 0.4in. Why has their grandmother bothered keeping a menu from a restaurant that closed years ago, a restaurant that never served very good food in the first place? Three cousins listen to Gee's own story, set in the early days of lunch counter sit-ins in Nashville, a time when a black child could sit up front in a city bus but still could not get a milk shake at a downtown restaurant. Through the eyes of ten-year-old Abby, young readers see what it was like to live through those days, and they'll come to understand that, like a menu, freedom is about having choices. Each book in this series tells the story behind a different scrap of time; together they form a patchwork quilt of one black family's past that stretches back for generations. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
