

Handbook of Migraine in Adults: 2016

By Todd A. Smitherman, Stefan Evers

Springer International Publishing AG. Paperback. Condition: new. BRAND NEW, Handbook of Migraine in Adults: 2016, Todd A. Smitherman, Stefan Evers, This handbook will be a clinically-focused, evidence-based handbook that will give an overview of the condition and provide insight into best-practice assessment, diagnosis and treatment of migraine, including major clinical guidelines and investigative drugs. Written by Stefan Evers, a leader in the field, this handbook is an ideal everyday companion for busy general practitioners, nurses and neurology trainees, as well as patients wishing to gain a better understanding of their condition. Deriving its name from the Greek for "pain on one side of the head," migraine is a chronic, debilitating neurological disorder that causes severe headache pain, as well as visual disturbances, nausea, and sensitivity to light and sound. Migraine is thought to affect nearly 15% of the population, afflicting three times as many women as men and often cause severe disruption to patients lives. Despite the profound effects on daily living, a substantial proportion of suitable patients do not receive therapy or take preventative measures, leading to ongoing unnecessary suffering. Handbook of migraine in adults will be a clinically-focused, evidence-based handbook that will give an overview of the condition...

Reviews

This ebook will not be effortless to get going on studying but very enjoyable to learn. Of course, it can be play, still an amazing and interesting literature. Your daily life period will probably be enhance once you complete looking at this book.

-- **Mr. Osborne Homenick**

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.
