THE POWER OF TWIN SOUL LOVE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Betsey Townsend is living her dream as a soap opera actress in New York, but when the network cancels her show, she's left taking stock of her life. Single and without children, Betsey embarks on an inner journey that brings her back to mysticism, romance, and the wisdom of her heart. An inspiring read for women and men of all ages (as it is never too late to find love), Amazon's best selling *The Power of Twin Soul Love* is a short fiction romance, exploring the theory of twin souls. I found the plot to be extremely cohesive. One of *The Power of Twin Soul Love*'s greatest strengths is the intriguing subject matter. Most people have probably toyed with-and sincerely hoped for-the possibility of having a soul mate. Couple that beautiful idea with this author's lyrical writing, and this book reads like a dream. With just the right combination of magic and reality, this book is sure to touch anyone who reads it. -- Abigail, Editor, CreateSpace Independent Publishing
This novella is the first installment of *The Power of Twin Soul Love* series. Don't miss the continuation of Betsey's story in the second book, *Betsey's Retreat*.
