ADVENTURES IN CODING

John Wiley Sons Inc, United States, 2016. Paperback. Book Condition: New. 1. Auflage. 236 x 195 mm. Language: English . Brand New Book. Learn to code the fun way with nine real projects for true beginners Adventures in Coding is written specifically for young people who want to learn how to code, but don t know where to begin. No experience? No problem! This book starts from the very beginning to take you from newbie to app-builder in no time. You ll learn by doing as you build projects designed to help you master fundamental programming skills and you ll have a great time doing it. These skills form the foundation of any programmer s tool set, and you ll continue to use them as you graduate to other devices and more difficult projects. Each chapter includes a video to help clear up any confusion and make sure you really understand, so you can keep programming your way through every single project without hitting major roadblocks. If you re ready to start designing your own program, this book will help you get started today. More and more kids are learning to code, and many schools offer basic programming classes as part of the regular curriculum. This book is structured like a class, starting with the basics and building skill upon skill, making it both a perfect accompaniment to formal instruction and an ideal guide for self-study. * Learn the basic programming skills you ll use everywhere * Build nine fun projects from super-basic to pretty challenging * Build the skills you need to create bigger and better apps * Watch video tutorials for extra help and explanations How many times have you played with an app only to find yourself wishing it had this or that feature? If you learn...
