

Ethics in Action (with Workbook, DVD and CourseMate, 1 term (6 months) Printed Access Card) (Mixed media product)

By Robert Haynes, Cindy Corey, Marianne Schneider Corey

Cengage Learning, Inc, United States, 2014. Mixed media product. Condition: New. 3rd edition. Language: English . Brand New Book. The ETHICS IN ACTION program brings to life the ethical issues and dilemmas counselors often encounter-and provides ample opportunity for discussion, self-exploration, and problem solving of the issues and dilemmas. The 22 video vignettes are based on a workshop for a group of counseling students, which included challenging questions and lively discussion, role-plays, and comments from the students and the group leaders. This educational program is divided into three segments: ethical decision-making, values and the helping relationship, and boundary issues and multiple relationships in counseling. The accompanying workbook (delivered online via CourseMate and in print with the DVD) involves users in interactive learning as they view the video program.
