Pages Number: 264 Publisher: Kyushu Press Pub. Date :2007-05. only had known. to early prevention. There are many diseases. our temporary cure. but can be prevented; there are many mountains. but we turned a moment. but can be avoided. Six years of primary recurring problem which we can do based on previous plans as early as a reminder; six years of primary difficulty is difficult to go beyond what we can learn from previous lessons in a timely manner to avoid. Only knew to fight back. Earlier along the way to know what difficulties and obstacles. lack of in order to avoid. not to retreat. but to earlier efforts! Only the earlier struggle. only a little more to grasp. Contents: Imprint sequence EDITORIAL directory articles had known in elementary school elementary school learning is a big step to school children an independent study on the first day of school is very important to learn good study habits from a young age to develop good work habits three questions lectures good practice habits of five questions three questions learn to use the small stylus good character dictionary is the key benefit of multi-learn lectures Parents are children s first master to teach children to read the contents of the talk about you know. but the child does not know and the kids explore and study Mathematics is the engine performance is the biggest advantage of the child interest groups to be a good memory you have to respect children s interests as supplementary books expert second grade elementary school to junior high school reading since childhood to be more than 20 per night to...
