Mocking bird Riot Press, United States, 2017. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. The short, many-chambered tales in We Lovers read familiar-an earthbound angel on the run from demons, a superhero with heat ray vision and skin that can t be cut, an action hero fighting his way out of a burning warehouse. But gay poet and storyteller, Christian St. Croix, offers a clever twist in his chapbook collection of genre prose stories: they re told exclusively from the mouths of the heroes lovers. Fearless, profoundly simple and blisteringly beautiful, We Lovers blends like a well-planned mixtape, offering cinematic love stories from the mouths of ghosts and mannequins, in the midst of monsters and zombies, hiding from a slasher killer in the woods, and escaping a falling sky.
