Trafford. Paperback. Book Condition: New. Paperback. 340 pages. Dimensions: 8.0in. x 4.9in. x 0.8in. Invaluable material culled during the past fifty- to sixty-years-plus unexplored research data and what acknowledged literati in the world expressed on obscure areas have gone into this publication. Any citizen in a civilized society should be familiar with the historical information, current and ancient, in ones own country and that of others. Here the author has emphasized more on Sri Lanka, where there was an abominable civil war for twenty-six years, massacring over 70, 000 innocent civilians and devastating a good part of the country. Author has well exploited how and why such a holocaust originated and dragged on for such a long period, where the lawfully constituted government had to fight to safeguard the citizens of the country to a possible extent, within the international parameters of war with the most ruthless terrorist outfit of the world-LTTE. This compendium undoubtedly will provide meticulous information, wholesome inspiration, and great satisfaction to an avid reader. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
