After getting the heart transplant I so desperately needed, I expected to finally be able to live a normal life. I d finally be able to work out and play sports, and I d be free from the restrictions that my previous heart had put on me. What I didn t expect was to start having odd episodes after meeting the beautiful, Audrey Fischer. Surely, my new heart isn t failing. So, why is it whenever she s near I m left doubled over, gasping for air, while scenes from a life that s not mine flash through my head? My doctor thinks I m having panic attacks, but I m not so sure. I ve got to figure out what is happening to me because Audrey thinks I m a lunatic and a stalker. Which I m not, I swear. Showing up at her house and job is not something I purposefully set out to do; it s like my body is on auto-pilot. Then to top it all off, I think I m in love with her. So much for a normal life.
